

Making your world a...

CLEAN WORLD

Clean Remote

For Healthcare and Hospitality

- **Easy flat non-porous surface makes it simple to clean and disinfect.**
- **Patient Convenience**
 - The Clean Remote offers direct channel access (numbers 1 - 9 and 0) whereas most pillow remotes have only channel up and channel down arrows, which patients cycle through all the channels to get back to a specific channel.
- **Marketing tool**
 - To show your facility cares about your patients.
- **No menu button**
 - Which stops the patient from changing the TV setup.
- **Prevent theft of batteries and lost battery covers**
 - Hidden battery compartment and patent pending hinged battery door helps eliminate lost battery doors and deters patients from taking batteries.
